AVB9X 9 Gallon Self Contained Extractor

The AVB 9X is well balanced and easy to use; the 16-inch brush ensures it can handle the toughest of jobs. The high water lift motor provides excellent water recovery; in most cases carpets can dry in less than one hour. The float shut-off ensures water never reaches the vacuum motor and the four jet spray bar provides a consistent spray pattern with no streaking. With a sound level of only 60 Db(A) the AVB9X can be used in even the most sensitive areas. Rugged two piece roto moulded polyethylene. Powerful 1.8 Hp vacuum motor with 2 year warranty providing excellent water recovery. Motor provides 135" waterlift and 95 CFM of airflow. Features a 130 PSI pump with quick release spray jets. The 16" brush provides excellent agitation on those tight areas needing a deeper clean. Lightweight and easy to transport with the upper and lower tanks detaching into two separate units. Fully adjustable water flow allowing for low moisture cleaning or full restoration cleaning.
