

VACUUMS

ProForce® 1500XP HEPA

The

ProForce® 1500XP is designed specifically to provide exceptional cleaning. Premium quality on-board tools and high-performance dual motor system offers convenience and durability for optimal efficiency and maximum effectiveness now with HEPA Level Filtration.

Sanitaire 16" Upright Vacuum with Shake Out Bag

The 16-inch wide cleaning path and easy maintenance features deliver a speedy and thorough clean. The no-tools, shake-out bag system and the QuickKleen fan chamber make this upright a top choice of the commercial cleaning industry. The long-life motor and Vibra-Groomer Brushroll also contribute to this unit's reputation as a workhorse.

PPR200 Canister Vacuum

The

new design of the PPR series has led to significant advances in energy consumption as well as overall vacuum performance. They consume 40% less energy than previous models while improving performance by 20%. This is all thanks to the new 680 watt vacuum motor with a 2000+ hour life. The noise level on the PPR series has also changed to 45/47 dB(A) which makes these units excellent for daytime cleaning.

Super Coach Pro® 6

The

next generation in cleaning comfort. Ergonomic backpack design with patent pending FlexFit™ articulating harness increases range of motion, reduces fatigue, and improves productivity. New triangular shape fits closer to the body and moves with the user, reducing the chance of bumping into doorways, walls, or furniture. The die-cast aluminum tri-latch system assures air performance. Four Level Filtration w/HEPA captures 99.97 percent of particulates 0.3 microns or larger, including fine carbon dust from the motor, for improved IAQ. Due to the angle of rear exhaust filters, the unit will not disturb papers on desks as it passes.

HX14

Protecting your carpet investment requires a powerful and dependable vacuum. The HX14 upright vacuum was designed from the ground up to be reliable, versatile and yet cost effective. This dual motor unit boasts a 1000 watt vacuum motor providing 118" of water lift and 63 cfm of air flow. The brush roll turns at 4500 rpm and the flat belt is designed to exceed 500 hours of use. The HX 14 is extremely light and easy to maneuver and lays flat on the floor to get underneath beds and furniture. The 4 stage standard filtration helps improve indoor air quality and the bag full indicator informs the operator when to change the bag. To protect the motor it will not run without a bag.

Tidy-Vac 6 Dry Canister Vacuum

Improve your Indoor Environmental Quality (IEQ) with standard 3-stage HEPA filtration system that traps small dust particles. Easy-to-use telescopic vacuum wand help you comfortably clean hard-to-reach areas. Durable components, proven in commercial applications, that you can rely on for consistent performance. 68 dBA sound level with double speed switch, allowing for ultra quiet vacuuming in noise sensitive environments. On-board tool storage and cord wrap makes for easy transport and storage Kettle plug for easy cord replacement. On-board tool storage and cord wrap makes for easy transport and storage.

V-WA-26 Wide Area Vacuum

Clean large areas quickly with wide 26 in / 660.4 mm vacuum path. Vacuum under furniture easily with a low-profile body design. Use on a variety of carpeted floor surfaces with adjustable height settings. Powerful dual-motor system agitates and lifts debris to clean deep into the carpet. Clean air exhaust filter traps dust and can improve indoor air quality during machine operation for a healthier, safer facility. Rotomold exterior ensures durability and years of use in high use, commercial applications.
