

VACUUMS

ProForce® 1500XP HEPA

The ProForce® 1500XP is designed specifically to provide exceptional cleaning. Premium quality on-board tools and high-performance dual motor system offers convenience and durability for optimal efficiency and maximum effectiveness now with HEPA Level Filtration. **#1500xp**

Sanitaire 16" Upright Vacuum with Shake Out Bag

The 16-inch wide cleaning path and easy maintenance features deliver a speedy and thorough clean. The no-tools, shake-out bag system and the QuickKleen fan chamber make this upright a top choice of the commercial cleaning industry. The long-life motor and Vibra-Groomer Brushroll also contribute to this unit's reputation as a workhorse. **#WiDCT16**

PPR240 Cannister Vacuum

The new design of the PPR series has led to significant advances in energy consumption as well as overall vacuum performance. They consume 40% less energy than previous models while improving performance by 20%. This is all thanks to the new 680 watt vacuum motor with a 2000+ hour life. The noise level on the PPR series has also changed to 45/47 dB(A) which makes these units excellent for daytime cleaning.

#PPR200-12

Super Coach Pro® 6 Backpack Vacuum

The next generation in cleaning comfort. Ergonomic backpack design with patent pending FlexFit™ articulating harness increases range of motion, reduces fatigue, and improves productivity. New triangular shape fits closer to the body and moves with the user, reducing the chance of bumping into doorways, walls, or furniture. The die-cast aluminum tri-latch system assures air performance. Four Level Filtration w/HEPA captures 99.97 percent of particulates 0.3 microns or larger, including fine carbon dust from the motor, for improved IAQ. Due to the angle of rear exhaust filters, the unit will not disturb papers on desks as it passes. **#107310PT**

Wet/Dry Vacuum

Powerful dual 1.0 Hp vacuum motors with 2 year warranty providing excellent water recovery. Motors provide 90" waterlift and 160 CFM of airflow. Structural foam tank comes complete with a 10 year warranty. Dump tube that permits quick and convenient emptying to a floor drain. For wide area cleaning can be fitted with a 29" front mounted squeegee kit.

Float activated sump pump allows continuous pumping of fluid without interrupting the vacuuming process. Ideal for floods, water pipe ruptures, drain back-ups and industrial spills. Pumps water at a rate of 60 gallons per minute.

CARPET EXTRACTORS & BLOWER

TP8X

Rugged two piece roto moulded polyethylene
Powerful 2 Hp vacuum motor with 2 year warranty
providing excellent water recoveryMotor provides 120"
waterlift and 106 CFM of airflowFeatures a 130 PSI
pump and comes complete with 20 foot vacuum and
solution hoses to tackle even the largest of
jobsLightweight and easy to transport with the upper and
lower tanks detaching into two separate units **#8025152**

TP4X

Rugged two piece roto moulded polyethylene
Powerful 2 Hp vacuum motor with 2 year warranty providing
excellent water recoveryMotor provides 120" waterlift and
106 CFM of airflowFeatures a 60 PSI pumpLightweight and
easy to transport with the upper and lower tanks detaching
into two separate unit **#TP4X**

ProBlitz Airmover

Maximum airflow and low amp draw combine to make the ProBlitz AirMover the first
choice for carpet cleaners and restoration contractors alike. With 3 fan speeds and 3
operating positions, the ProBlitz AirMover tackles every air circulation requirement
with ease. **#107133PT**

FLOOR MACHINES

NA20DS

Dual speed floor machine - 175 / 300 RPM with a 20" cleaning path
Motor is 1.5 Hp DC rectified
Weighs 108 lbs for those heavy stripping jobs
Heavy duty steel construction throughout
Dual Planetary, steel gears
Shampoo Tank available **#8025244**

NA1520DC

Floor Burnisher. The all steel construction and 1.5hp DC rectified motor ensure this unit can handle the toughest of jobs. The multi-grooved drive belts provide efficient power transfer. This model also features a unique filter system for dust control that is easily cleaned and changed. The NA 1520DC complies with LEED - EB EQ credit 3.7 for sustainable cleaning equipment. **s#NA1520DC**

SCRUBBERS WALK BEHIND

TGB1120

11-gallon solution and recovery tanks
The TGB 1120 has an onboard charger and is powered by 2 maintenance-free gel batteries
Features a Patented flip-up head making pad or brush changes a breeze
Fully adjustable flow rate
Adjustable handle provides proper ergonomics for any operator
Prolonged battery life with low-voltage shutoff
Hour meter and battery level indicator
Tear-away squeegee with quick-release blades for easy cleaning #TGB1120

TGB2228

22-gallon tanks provide the capacity for large jobs & the adjustable brush pressure provides the muscle for the toughest jobs
Traction drive motor reaches speeds up to 4.3 mph for increased productivity
Over 3.5 hours of run time powered by maintenance-free gel batteries
Prolonged battery life with low-voltage shutoff
Fully adjustable flow rate ensures the correct amount of water is used
The control panel continuously provides the operator with the hours used meter and battery status
Tear-away squeegees with quick-release Serilor blades for easy

TTB516

With 45–60 minutes of run time an interchangeable battery pack and 5-gallon solution capacity, the TTB 516 is the professional choice in compact auto-scrubbers. It gets into all those tight areas that other auto-scrubbers cannot. Essentially, it is a complete replacement for a mop and bucket system for so many reasons.

Key Features

Pivoting squeegee coupled with a 300-watt/0.4 hp vacuum motor provides excellent water recovery
Recovery tank has a drain allowing for easy draining without the need for lifting
Control panel provides operator with water, vacuum and battery status all in one convenient place
The battery pack consists of a 1 x 12 volt 18 amp hour environmentally preferred gel battery that charges in under 5 hours. It is completely maintenance free, emits 1/40 of the hydrogen gas of wet lead acid batteries, is spill-proof and can be charged anywhere

TTV678

With three adjustable scrubbing widths, 26", 30" and 34", and onboard storage for two squeegees, 30" and 40", it fits through any door and can handle any job large or small. Simply pull a pin and the brush deck automatically adjusts in or out to the correct width.

Key Features

Three sizes, one machine
Fully adjustable flow rate from 0.25 gpm to 1 gpm
Patented pop-on/pop-off brushes and pad drivers
LED control panel continuously provides operator with chemical, water flow, brush pressure and battery status
Adjustable brush pressure and speed
Six maintenance-free gel batteries provide 4 hours of run time; low-voltage shutoff prolongs battery life
Tear-away squeegee equipped with quick-release squeegee blades for easy cleaning
Two squeegee sizes come with each machine

MISCELLANEOUS EQUIPMENT

Steamer JS1600C

Stainless steel welded boiler ensuring consistent steam pressure. Attacks grease, grime, hard water deposits, mould and more as it quickly breaks down virtually any type of soil, leaving the surface sanitized. The pump is connected to the water reservoir for a constant supply of water and unlimited working capacity. Operator safety is assured by the many safety features including 12V steam controls, pressure switch, thermostat, high limit thermal shut off and pressure relief. **#JS1600C**

Minuteman KS27M Walk-Behind Manual Sweeper

- Picks up dirt quickly without leaving dust behind. Lightweight and convenient, yet virtually indestructible. Goes where large sweepers cannot.
- Sweeps up to 24,757 sq ft per hour
- Sweeping width: 26" with side brush; 19" without side brush
- Dimensions with side brush: 31" x 52" x 35"
