### Huck Towels

Lint Free.

HUCK 10 LB

### Large Sponge

Remove grease or soil buildup using this biodegradable sponge. Typically used to clean stainless steel, porcelain, or other hard surfaces these sponges are also ideal for cleaning dishes, mechanical parts, or walls. Apply a general purpose cleaner to the desired surface and allow dwell time. Wipe or scrub with the sponge then rinse.

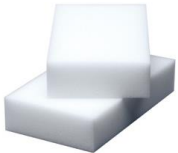

LSP00MA EA

### Teflon Backed Sponges 4X6

The combination of nylon cleaning or scouring pad with an absorbent synthetic sponge creates a versatile cleaning tool.

TSP62GL EA

### Miraclean Sponge 4"x2.4"x1.1"

With minimum effort this sponge will take away marks (pen, marker, scuff-marks, ground in dirt) even in grooves.
